Greece and Lebanon are both located in the Mediterranean.

You see many Icons adorning the walls of our beautiful church. Some depict the life of Christ; some, events from the Bible or church history; and some are of the saints. We use these in our worship as "windows of heaven" revealing the glory of God. They also remind us that we are to be icons, and reveal the glory of God to others.

The Life of Jesus Christ

A long time ago in the land of Israel, Jesus was born. His Mother was a pure and Holy Virgin chosen by God to be His Mother.

Jesus (called "Christ," which means "Anointed One,") performed many miracles, like healing the sick, giving sight to the blind, casting out demons, and raising the dead. Twice he fed crowds of thousands of people with only a few loaves of bread and some fish.

But not everyone liked Jesus. Many people believed that He should be crucified, even though He had done nothing wrong. The people did not believe that He was the Son of God.

Finally, His own disciple Judas betrayed him. He was beaten, tortured, and ridiculed before being nailed to a cross. When he was dead he was laid in a tomb for three days.

But on the third day He rose from the grave and remained on Earth for 40 days before he ascended into Heaven. His disciples were sent out all over the land to spread the Good News of Jesus Christ.
