

Sunshine Card Ministry

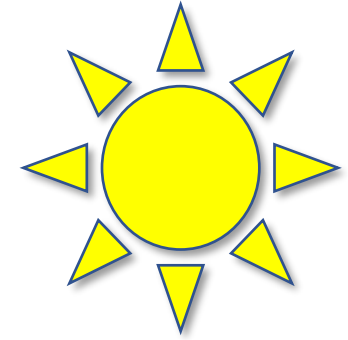

To all parishioners:

If you have family members who are ill or cannot leave home for any reason, or live in retirement facilities, and you would like them to receive a monthly greeting (yes, real paper!) please email <stphilipsunshine@gmail.com> and the Women of St. Mariamne will see to it that they are remembered.

Greetings can be permanent or for a specific start and end time. Thank you for helping the women to share the love of God with the dear parishioners who we may not be able to see in person.

Also, if you would like a birthday, name day, wedding or baptism anniversary, or graduation remembered, please feel free to email your request.
