

# St. Andrei Rublev Icon Studio @ St. Philip

w/ Karsten Boyer

## Icon Studio and Classes beginning on September 22!

The Saint Andrei Rublev Icon Studio at St. Philip will offer a full day of iconography every Friday (beginning Sept 22), with the day divided in the following way:

1. From 9am-3pm - **Open Studio** for Intermediate Level iconographers (selected by review of work)
2. From 3:15-6:15pm - **Beginner's iconography course** (open to all), with minimum donation of **\$100** (which covers the gessoed icon board, the set of brushes, acrylic paints, varnish, and miscellaneous materials).
3. From 7:45-10:15pm - Open Studio (by review)

**Open Studio** is free to the community, but participants provide their own materials. Open Studio hours will be free time for iconographers of intermediate level to work alongside each other on independent projects with oversight from Karsten. Those interested in participating should contact Karsten with images of previous work for review.

**The Beginner's Iconography Course** will be a 14-week session (9/22-12/22) in which students will learn the fundamentals of making an icon from beginning to end, i.e., drawing, color mixing, brush-handling, acrylic painting, and varnishing. We will begin with the icon of Archangel Gabriel.

All inquiries should be directed **Karsten Boyer** by email ([karstenboyer@gmail.com](mailto:karstenboyer@gmail.com)) and/or phone (610-248-1355).

\*\*\* Please communicate an emailed commitment confirmation by 9/10 so that supplies can be ordered in time for the first session. \*\*\*
